A copy of this form will be kept in the Psychology Office. Please meet with an advisor annually to update.

Core Courses — 13 credits

Course Number	Semester / Year	Credit	Requirements Satisfied
UN 1001 Perspectives		3	
UN 1002 World Cultures *Or two semesters of language and UN1003 (Lang:_____)		4	
UN 2001 Revisions		3	
UN 2002 Institutions		3	

Science/Math — 16 credits

Course Number	Semester/ Year Taken	Credits	Requirement Satisfied
MA 1020 (or higher)*		4	
PSY 2720 (sp)		4	
BL 1040 (with lab; f)		4	
Any Science, Math, Engineer., or CS course		4	

*You may choose MA1020 if that is the only math course you intend to take; MA1030 and MA1031 combined are equivalent to MA1032.
If you are confident about math and/or plan to take Calculus, you should take MA1032. We recommend MA1032 as it is more widely applicable to other MTU majors and minors.

Distribution Courses — 15 credits

Course Number	Semester/ Year	Credit	Requirement Satisfied		
			HAAS (min 9 cr.)	Supp .List (max 3 cr.)	Creative Endeav. List (max 3 cr.)
Lower Level (max 9 cr.)					
Upper level (min. 6 cr.)					

*Note for students completing a minor in another dept:

- If you are completing a minor, at least 6 upper division credits applied to your minor can only be used as free electives in your major – they cannot be used for your distribution requirements!!

Free Electives — 29 credits

Course Number	Semester/ Year	Credits	Requirement Satisfied
If completing a minor, at least 6 upper division credits from minor may not be used toward major except as free electives. List those courses below: _____(minor)			

Co-Curricular Activities — 3 credits

Course Number	Semester/ Year	Credits	Requirements Satisfied
